Measure, Appointment or Topic: HB4153

Wasn't America based on freedom, Wasn't America based on prosperity for all,
Wasn't America the land of the free, Wasn't America based on everyone, no matter
race, religion or color have the opportunity to be able to take care of there family,
Wasn't America that gave equal opportunities to everyone, Wasn't Americaa based
on freedom of speech. Independent small businesses, built businesses, big and
small? It's the back bone of the American dream without them we be nothing If you
look at our history without these opportunities we would be a communist country, . I
vote NO give the American people the right to be free and dream and prosper.
