

Submitter: Daniel Revel

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB4018

Free speech should put all voices on an equal platform. It should not let money talk and allow the campaigns with the deepest pockets to drown out the voices of concerned citizens. Campaign contribution limits are a step towards creating a level playing field. The proposed increases to campaign contribution limits will tilt the playing field in favor of the wealthy - the wealthy get elected and write the rules to favor themselves. This moves us away from a democratic society and I oppose it.
