HB4018

Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules

My name is Marianne H and I live in Lake Oswego. I am writing to testify in strong opposition of HB 4018, which if passed would weaken and delay campaign finance reform. It would double some of the campaign contribution limits, multiply others exponentially, and delay parts of the bill until 2031. This is not acceptable!

Oregonians deserve true campaign finance reform!

Big money holders (be they individuals, corporate entities, etc.) should not flood our elections and dominate our lives as it currently is happening. We are battling this on the national level, we should fix what we can on the state level, here and now! Do Not Vote HB 4018 out of committee.

Thank You,

Marianne H
