Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Oregon Voters signed petitions to vote on portions of 3991 in November, not May. Trying to game the system and change the voting day further erodes public confidence in our government. Any member of the Oregon Legislature who votes in favor of 1599 should be immediately recalled. Even Gov. Kotek should be recalled just for this blatant attempt to circumvent the will of the people.

There is no doubt that this is bad, bad, bad.
