Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

My name is Kalah Hanken-Follett and I live in Parkdale. I am writing to testify in strong opposition of HB 4018, which if passed would weaken and delay campaign finance reform. HB 4018 now includes a complex 84-page amendment that would double some of the campaign contribution limits, multiply others exponentially, and delay parts of the bill until 2031. This is not acceptable. Oregonians deserve true campaign finance reform!

It is unfair that only big business can afford to have their voices heard, and this bill only makes that easier. How can we get corruption out of politics if we allow big business to give more money to get their desired candidates elected?

Please do what your constituents want and oppose HB4018.

Thank you,
Kalah Hanken-Follett
