Dear democrats, as per the us constitution “we the people” have spoken. Did you not get the message? You were elected to represent your constituents not the party or tina kotek. At least 250,000 oregonians have given you a directive which clearly defined the referendum to be on the November ballot. Your previous disregard for public comment and testimony has landed all oregon legislative democrats under the microscope. Are you really willing to test the will and power of the oregon voters. You have awakened a sleeping giant.
