Please don't move this to the May vote. This has been overwhelming defeated by the public, the voters. Moving the vote to May would be a very underhanded, a move that shows the public the type of person you really are. Please leave this bill go to the voters in November where we will see how the voters feel.

One way to have more odot funding is to monitor the productivity of your crews. Many times when I see road or highway maintenance, it is very noticeable that there are 3 to 4 people to many. Monitor productivity!
