HB4018

I am writing to testify in strong opposition of HB 4018, which if passed would weaken and delay campaign finance reform. HB 4018 now includes a complex 84-page amendment that would double some of the campaign contribution limits, multiply others exponentially, and delay parts of the bill until 2031. This is not acceptable. Oregonians deserve true campaign finance reform!

The unimpeded inflow of big money and dark money into politics is one of the biggest anti-democratic forces at work in our state and in our nation. It's long past time for real, accountable reform.

HB 4018 should not be voted out of committee. Thank you.
