House Committee On Education

Measure, Appointment or Topic:

HB4112

Please vote to allow more lottery funds to be used to cover the cost of Outdoor School. It is vitally important to our future that students all gain an understanding and appreciation for the amazing state we live in. Attending Outdoor School is a quintessential experience for Oregon-raised children that's designed to ensure that ALL students, even those in the city, gain that experience. It opens students' eyes to career opportunities as well, helps them connect with each other, and offers students an alternative way to learn that so many thrive in.
