Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Senate Bill 1599 was supposed to be voted on in November 2026 then all of a sudden, the voting date changed to May 2026 when less people seem to vote. This should be changed back to November 2026. As a retired native Oregonian on a fixed income, I can't afford MORE registration fees on my 26 year old car, our gas prices are already the 4th highest in the U.S. because of all of Oregon's gas taxes added on already. It is not fair to change the voting date now. Please stop playing games with our financial future.

Thank you,
