We the people of Oregon are done!! We are sick and tired of the crooked politicians getting away with breaking laws, fraud and more taxation! We have said NO MORE! Signed the referendum in record time with record high number of signatures and yet crooked politicians (you know who you are) are once again breaking laws and making things only work for them! They are NOT listening to the people they represent! They were told once that Oregonians did not support the tax bill but they pushed it through anyways! They we told them twice by completing the referendum to the letter just to have them turn around and throw it in our face. Now we are to a third time and they are screwing us again! When is enough enough!! We the people have spoken! I oppose moving the referendum to May! It needs to stay on the November ballot as the law states when we signed the petitions
