Measure, Appointment or SB1599
Topic:

Honorable members of the Oregon Legislature,

This is my voice in opposition to SB 1599. If the Democrats are so sure of passing this bill why do they need to act as if they are scared and go against the wishes of 250,00 + Oregonians who prefer to vote in the November elections. Please vote against SB 1599 and let the will of the voters be expressed in Nov. 2026 when more people will vote and things won't be so rushed. We are looking for leaders and not those who just want to play games for their own interests. Thank you for your kind consideration of this request and stand with Oregonians to oppose SB 1599.

Sincerely yours, John and Bonnie Newman
