Measure, Appointment or SB1599
Topic:

SB 1599 is, in effect, simply a way for Democrats in the Oregon Legislature to bypass the will of the people of Oregon. Moving the election date to May 19th, will deprive opponents an opportunity to submit arguments to the Voter's Pamphlet in favor of repealing the Governor's huge tax - there won't be enough time to collect the signatures and the Legislature's Democrats are well aware of that. The Democrats are playing unacceptable games with our right to information and our right to vote. I used to be a Democrat, but they stopped representing regular people a long time ago.
