Topic:

This is just one more way for the legislature of Oregon to override the will of the people of Oregon. Those who signed the petition to negate the tax, also were signing to have it go before the people of Oregon on the November ballot, NOT get moved to May where Governor Kotek and the Democrats are hoping that voters will not turn out and they can defeat this. It amazes me that they are more intent on just raising taxes, stealing the kicker and seemingly not caring about investigating the 1 BILLION disappearance of dollars in the DMV. Enough already. STOP this from going to a May ballot and leave it on the November ballot. Do the right thing ....for a change!!
