Measure, Appointment or SB1599
Topic:

The signature sheet that I signed was to halt the unjust and fraudulent Oregon gas tax initiative proposed by the govenor and democrat super majority.

My signature is and was to put this tax increase on the November ballot to put it to the people and was part of nearly 250,000 other oregonians opposed to any tax increases and especially to further put oregonians in debt.

The govenor and democrat majority legislator is attempting to obviseate the intent of mine and thousands of Oregon tax payers to halt this tax increase and have we the people decide it's fate in November.
