Topic: SB1599

I strongly oppose this bill.

What are you people thinking?

The people of the State of Oregon have spoken. They legal petitioned the government to put the vote on the measure on the November 2026 ballot. That is how a democratic republic is supposed to operate. That is the will of the people to not only vote on the measure, but to do it in November. The will of the people needs to be followed and not toyed with by the legislature.

Vote this measure down. Respect your constituents—allow us to vote on the referendum in November.

Stop trying to circumvent the will of the people of the State of Oregon.

Thank you,
