2026-302
Measure, Appointment or
Topic: SB1599

I think it cost too much to live in Oregon. I think government is too large and too powerful. I think government could better serve the people by shrinking in size and lowering taxes. I can see now that too much power in Government corrupts. It looks like a political game to move this vote. Everyone signed to have it in November. I think you should listen to the people and really hear what they say, then align your actions with that.
