HB4018

I am hearing that this bill is watering down campaign contribution limits behind closed doors. Oregonians have spoken clearly--we want a to restrict and reduce campaign contributions. Please stand strong to allow our elections to be fair and not biased by big donors. HB 4018, would weaken and delay campaign finance reform. It now includes a complex 84-page amendment that would double some of the campaign contribution limits, multiply others exponentially, and delay parts of the bill until 2031. This is not acceptable. Oregonians deserve true campaign finance reform! We cannot continue as the "wild west" of elections warped by big money.
