Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

More than 250,000 Oregonians signed a petition to put this gas tax before voters. The petition explicitly stated the vote would occur on November 3, ensuring the broadest possible participation and a fair, transparent decision by the public. The date in this petition needs to be honored and I object to this important bill being put on the May primary, which is a low-turnout primary.

Sincerely,

Katherine Sperle
