On Behalf Of: Mr Oregon OPPOSES SB 1566
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB1566

I OPPOSE [SB 1566].

[SB 1566] appears to be discriminatory per se as to who has to pay prevailing wage and who gets away from being required to pay prevailing wage.

[SB 1566] 'Gifts' government subsidized housing costs reductions funded at taxpayer expense but not afforded equally to all taxpayers seeking a similar 'Gift' of government subsidized housing costs.

Are Illegal Aliens permitted to the 'gift' of government subsidized housing costs?

Is the 'Gifts' of government subsidized housing costs reserved for citizens of the U.S.A.?

What FUND does the [\$750,000] discussed in [HB 1566] emanate?

[SB 1566] is discriminatory per se and 'Gifts' of government subsidized housing costs appears to violate the Civil Rights Fair Housing Act of 1968.

Mr. Oregon Concurs.
