Measure, Appointment or Topic:

HB4018

My name is Joyce Winslow and I live in Eugene , Oregon. I'm writing in strong opposition to HB 4018. This stealth measure to undermine voters' clear desire to end the corruption of Big Money in politics must not be allowed to pass. Campaign finance reform is essential if our fragile democracy is to survive. For too long powerful interests have been able to subvert the will of the people by buying political influence, until now we are dominated by an entitled oligarchy surpassing even the Robber Barons of the Gilded Age. We can't continue down this road.

Thank you for your consideration.
