Measure, Appointment or SB1599  
Topic:

We the voters will remember this in November, over 250,000 people signed the petition for this to be on the November ballot, the blatant lack of respect for the general public by the governor and the legislature, is reprehensible, our governor hides behind Oregon values to try and hide her blatant corruption and utter lawlessness that has taken over the state. This needs to be on the ballot in November. That's what we the people want!!
