Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Honorable Committee,

Moving the election date forward is not acceptable. We all know that the spring election has a lower participation level compared to the fall elections. These measures that are being pushed through are not acceptable to the majority of Oregon voters. By trying to move the vote date forward it shows how you are using deceptive tactics in attempting to advance your agenda. Shame on you.
