Measure, Appointment or HB4105  
Topic:

Dear Co-Chairs Helm and Owens, and Members of the Committee,

I strongly oppose House Bill 4105 and its amendments. We cannot allow timber industry lobbying undermine the state forest habitat conservation plan. Our forests are vital both to our state economy and also to our state “spirit.” This bill would result in more clearcuts, more lawsuits, less habitat for salmon and wildlife, and less carbon storage.

I urge you to oppose this bill. Instead, I encourage this committee to focus on measures that would increase carbon storage in our state forests and safeguard our public resources for our children and future generations.

Please don't let this bill pass out of committee.

Sincerely,
