Measure, Appointment or
Topic: SB1599

I am writing to inform you of my opposition to moving the election date for the parts of chapter 1, Oregon Laws 2025 (special session), referred to the people by Referendum Petition 2026-302, to the primary election held on May 19, 2026. The citizens who signed the petition to get this on the ballot were under the impression that it would appear on the November 2026 ballot. The fact that the petition had so much interest clearly shows that Oregonians are tired of how the state is being run. If you truly think this bill honors the wishes and opinions of your constituents, you should be able to confidently place it on the ballot in November, and thus in front of a larger portion of Oregonians. Why would you not want more people to participate? Please, do the right thing, and let the citizens of Oregon have their voices heard!
