

Submitter: annie capestany

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4041

Please don't torture people who have completed their sentences. This bill is not needed. What is needed is for the state to not illegally re-incarcerate people. People should be able to get on with their lives and not be haunted indefinitely with the fear of re-incarceration. Vote NO on this unnecessary bill. This is not justice.
