Committee:

House Committee On Labor and Workforce
Development

Measure, Appointment or
Topic:

HB4027

I strongly oppose HB4027. Oregonians do not want more taxes nor can we afford more. More and more businesses are closing or moving out of state. We cannot afford to keep losing the businesses, the jobs they provide, and the taxes they pay. Start holding government departments and agencies accountable. The money must be spent wisely. NO more taxes. Vote NO on HB4027.
