2026-302

Measure, Appointment or Topic: SB1599

SB 1599

This bill is trying to take the will of the majority of voters who want this to stay on the November ballot. The Governor and the rest of the democrats want to move it so they don't have to be next to it on the ballot. We will not stand down. We will fight for the right to keep our voices loud and the gas tax on the November ballot.
