On Behalf Of: Mr Oregon OPPOSES HB 4027  
Committee: House Committee On Labor and Workforce Development  
Measure, Appointment or Topic: HB4027

I OPPOSE [HB 4027].

From the Text of [HB 4027], "... The Legislative Policy and Research Director shall conduct a study of the manner in which state labor agencies in other states are funded...."

"... The report must include a recommendation for a permanent funding source from other fund moneys to fund the operations of the Bureau of Labor and Industries...."

"Studies" for 'this and that' appear too often.

The Bureau of Labor and Industries should have this subject matter as a scope of their jobs.

Businesses are leaving Oregon due to Governor Kotek's love fest with funding the Welfare State. High taxes squeezed from corporations combined with Diversity, Equity and Inclusion (DEI) garbage.
