Measure, Appointment or SB1599  
Topic:

I have already verbally testified in person on the 9th at the Capitol State building in Salem opposing SB 1599 to be on the primary elections in May but rather have it on the general elections in November. Now, here is a written testimony again, I strongly oppose SB 1599 to be on the ballot for the primary elections in May but have it on the November general elections in November. Do not mistaken that "We the People" do not know what the legislature and ODOT are thinking. May's election has a low turnout for election; therefore, you are hoping that the bill will pass. So, stop with the waste, fraud and abuse, and most certainly stop with these taxes. You need to start holding yourselves accountable for mismanaging our tax dollars. Also, to ODOT, there is no certainty without accountability. Why don't you share with the public where and how our tax dollars are being used? OREGON DOES NOT HAVE A FUNDING PROBLEM, BUT A MISMANAGMENT PROBLEM! If you ODOT needs funding, give them the funding that was given to planned parenthood by Tina Kotek. Oregonians are paying for abortions by Oregonians and people from out-of-state. Where is the transparency and accountability there? Stop this non-sense now!
