Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I am a registered voter and taxpayer of Oregon and signed Referendum Petition 2026-302. That petition clearly states we, the voters of Oregon, are to vote on it November of 2026. I am opposed to changing the date this referendum is put before the voters. The petition was signed and validated as written and should be presented to its signors and Oregon voters as written.

I do NOT want to see this petition moved to May elections as proposed in SB 1599.
