Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

For Kotek to claim she represents the people of Oregon and then doesn't listen to the people she claims to represent is the greatest definition of irony and hypocrisy. We the people of Oregon signed a referendum to put this tax on the November ballot, one in which she is also running for reelection shows that she doesn't respect nor represent the people of Oregon and places her own visions of power for all to see.
