Excuse me, but this can't be real. Didn't the 250,000 bi-partisan signatures (gathered in a matter of days, mind you) require this bill to be on the General Election Ballot? Do you think that there were no independent voters' signatures on the petition? Where does this leave them? Of course we know that you are trying to move this to the primaries where there is a much lower voter turn out. Nice Try, but how about you listen to the voters for once? WE DON'T WANT YOUR STINKING TAXES. YOU ARE SUPPOSED TO REPRESENT THE PEOPLE, NOT YOUR SPECIAL INTERESTS. I know this is hard for you to understand. that's why I had to say it in ALL CAPS. But it is a basic and simple concept. Either figure it out, or GET OUT!!!
