

Submitter:

Elaine Lavington

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4105

I support HB 4105 Directs the State Forester to determine the available state forestland, establish sustainable harvest levels for harvesting timber on state forestland and manage available state forestland. This would eliminate a lot of fires we have every year. This will protect our wildlife in the forest from these devastating fires. Please vote "YES" on this bill.
