

Submitter: Alice Shapiro
On Behalf Of:
Committee: House Committee On Emergency Management and
Veterans
Measure, Appointment or HB4100
Topic:

I strongly support this bill and the amendment to better ensure the responsibility of the potential polluters to assume the financial costs arriving from a spill. Citizens have worked for many years to make the CEI hub a safer place and to have the companies that operate there assume the financial responsibility for their actions. It is past time for this action.
