2026-302

Measure, Appointment or Topic: SB1599

Oregon State is playing games with the will of the people to have this bill placed on the spring ballot rather than the November ballot where it belongs. Not only does it cost more to place it on a special ballot, it is also a ploy to affect the governor's race in November. I fully oppose SB1599 and support leaving the referendum on the November election ballot where "the people" originally petitioned it to be.
