Please regard this file as my sworn testimony of Joe David Totzen In regards to the bill 1599. Especially for bills of this magnatude should be vited in by the voters of this state

Not ramroded through by representatives

Who are supposed to have the best interest of the people of this state. I truely don't believe this is the case. This is way to heavy of a tax burden for it's residence. If laws need to be changed or revisited then please do so.

Let the people choose by vote not by individuals as it should be.
