Measure, Appointment or Topic: SB1599

I respectfully support this bill. We need public transit funded and functioning in Curry County as well as Roads & Highways that are open, well maintained and repaired throughout Oregon. This referendum currently holds funding hostage. The sooner we can make this decision, the better. Our economy depends on it! I don't know about other citizens but I have no desire to return to horse and buggy as my daily means of transportation. It's a long enough trip to Salem by car...

Humbly submitted,
