Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Moving the referendum to the primary is single-handedly robbing Oregonians of their right to have a voice. It is absolutely disgraceful that the people who are supposed to represent our state and its inhabitants are working so hard to suppress those that don't support their every move. We the people spoke out against the gas tax, now we the people are getting punished? Sounds like a third world country dictatorship to me.
