Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Over 250,000 signatures were collected opposing this measure. Along with the gathered signatures was a demand it be voted on in Nov. To now change the vote to May is a gross misuse of power by the democrats in office. Who are they working for ; the people, special interest groups or their own egos?
I strongly oppose this move.
