2026-302

Measure, Appointment or  
Topic: SB1599

The initiative petition that was circulated and signed by the more than 250,000 Oregonians CLEARLY stated NOVEMBER ballot for voting. This political grandstanding because your constituents fought back, shows that you do not represent the voters who put you in office whatsoever. Tina tried to ram through a bill with a fake emergency, than sat on her hands for weeks before signing said emergency. When that backfired on her, she again resorts to partisan shenanigans to try to subvert the will of the people again. STOP WASTING OUR TIME AND MONEY.
