2026-302

Measure, Appointment or  
Topic: SB1599

I participated in gathering signatures opposing the gas tax. This was to go to the November election, which has a much bigger turn out. When we follow the procedure set out by the SOS and then they change the rules or timeline, it's a set up to be able to defeat any recall or opposition in the future. We must stick to the timeline of November or the citizens of Oregon will lose more faith in our system and our SOS.
