To whom it may concern.

I was 1 of 250,000 people who signed the petition to send the gas tax to a public vote to be held in November of 2026. I signed that petition with the knowledge it will be put on the November 2026 ballot. I do not agree with moving the vote to May. It's bad politics to Change the date after Oregonians have spoken loud and clear. The vote must stay on the date the petition stated and Oregonians signed. Thank you for your attention on this matter. We the people are watching and we will remember come the election who tried to take our rights and or manipulate our democracy to fit your agenda.
