

Submitter:	Pamela Richards
On Behalf Of:	SJR 203
Committee:	Senate Committee On Judiciary
Measure, Appointment or Topic:	SJR203

I am writing to support SJR 203. As a matter of accountability and the rule of law, ICE agents must be identifiable. We cannot as civilized society allow thugs to murder citizens in our streets. It's hard to believe we are at this junction in 2026! Civility and respect for our laws must be our top priority.

Please support this bill and pass it on behalf of our great country.

Thank you for your time.
