

Submitter:

James Emerson

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

To allow a massive development on lands designated as rural, would be a travesty. Oregon's land use regulations are based on thorough study, long public input processes, and careful consideration of both economic and environmental values of those lands. This bill is unnecessary and ill-advised, and should not pass.
