Measure, Appointment or SB1599
Topic:

Dear Joint Special Committee,

I am writing today concerned about democracy in Oregon. Oregon Citizens overwhelmingly signed the referendum with the intention, expectation this would appear on the November ballot not May.

Regardless of how you would vote, I ask you to listen and honor the people of Oregon. We cannot continue to run a state based on lack of trust. We need to honor processes and the democratic values of Oregon.

I oppose SB 1599. It's not aligned with fair elections.
