Donald Trump has built a secret police force designed to operate above the law – fueled by massive spending, political loyalty, and a near-total lack of oversight. ICE has been harassing our neighbors, terrorizing our communities and killing American citizens all while masking their identity.

Enough is enough. We know that the practice of masking by law enforcement is not only dangerous to public safety but it erodes the trust of the citizens they are supposed to be protecting. That is why we are supporting the push for a constitutional amendment that would ban the use of masks by law enforcement officers and would require law enforcement officers to wear uniforms with badge numbers (Senate Joint Resolution 203). If the resolution is passed by the Senate and House, the proposed amendment would go before voters in the November 2026 general election. If a majority of voters support the amendment during the general election this November, it would then be included in the Bill of Rights, Article I of the Oregon Constitution.
