My name is Jamie Bond and I live in Linn County. I am writing to testify in strong opposition of HB 4018, which would delay urgently needed lifesaving campaign finance reform. HB 4018, as injected in BAD FAITH via a ridiculously complex last minute 84-page amendment would double some campaign contributions. Adding this 84 pgs IS WHY REFORM MUST BE MANDATED WITH STRONG DETERRENCE & enforcement mechanisms.

We know these outside influences & interests frequently hand over the exact legal write-up for elected officials

Too much money from PACs - SuperPACs has burned in elections /re-election campaigns.

Massive overspending is only growing year after year & fundraising wastes time you're not being represented due to need

If we don't draw a line in the sand & establish a firm position now, we'll have lost Federal AND state representation

This is not acceptable. Oregonians deserve true campaign finance reform!

Don't let us down in this dark time throughout our country's 250th
