Measure, Appointment or Topic: SB1599

I am absolutely opposed to moving the voting date for the tax referendum to May instead of on the November ballot. The reason is because of lower voter turnout and most importantly is independent voters cannot vote on it in May. That is just wrong! Over 250,000 Oregon voters signed the petition that clearly stated it would be voted on in November. Whatever your political party or stance is, do the right thing. Please show Oregonians that you will honor and recognize the November request on the petition. Again, do the right thing! Thank you
