Measure, Appointment or Topic: SB1599

Why on earth do you guys seem to think you have so much power, when you are elected officials that work for Oregonians? When things don't go your way, you don't just get to change the rules! We signed petitions to show our support in getting SB1599 on the ballot in November! It's very clear you guys are running scared and are doing anything to move it to your benefit! We see right through your game. So take this as my two cents to say, we, as in my family of 4, do not support this move to May!
